POLICIES AND PROCEDURES

Revision 3-27-20

ITEM	POLICY OR PROCEDURE
1	SAFETY: Safety of the dogs and handlers is our first and foremost responsibility. Emergency phone numbers have been posted throughout the building. A first-aid kit is on the wall between the restrooms. All dogs shall be on leash when at KCTC (including in the building, in the potty areas, and in the parking lot.) Exceptions: (1) Dogs actively working in a class when off-leash work is appropriate (for example, agility); (2) Instructors' dogs being used for demonstrations; and (3) When off-leash activity is a normal part of the class (for example, puppy socialization).
2	BITCHES: No bitches in season are permitted in classes.
3	DOGS PER CLASS: The maximum number of dogs in each class shall be determined by the Instructor, who shall inform the Training Director of the limit. Handlers in agility classes working multiple dogs must either pay for each dog separately, or only work one dog per sequence.
4	AGGRESSIVE DOGS: Aggressive dogs shall be dealt with in accordance with the "Policy for Aggressive Dogs," Appendix A.
5	POTTY: Handlers should potty their dogs in the front potty area before entering the building.
6	DOG ACCIDENTS: All handlers are responsible for cleaning up after their dogs and disposing of it properly, as follows: put papers towels used for urine clean-up in a plastic bag and then put the plastic bag inside a trash can, and put all stool in a separate bag and throw it away outside in a covered trash can.
7	UNATTENDED DOGS: No person, member or non-member, is ever permitted to leave a dog in the building unattended.
8	CHILDREN: Children shall be at least 13 years old to work a dog and all children under 16 shall have a parent present, at all times, when working a dog. The only exceptions to this are (1) if the children are attending a specific class geared to children only, or (2) if the instructor agrees to allow a child under 13 in the class. The instructor may also evaluate the child during the first class before making a final decision on allowing the child to continue in the class.
9	BUILDING USAGE: The Building Usage page of the website shall list all the people who use the building during non-class hours, seminars, special events, etc., along with the lead person for such events.
10	CHANGES: Changes to this Policies and Procedures document require Board approval.

11	RECOMMEDATIONS: A person wishing to propose a recommendation to the Board for approval should send an email to all Board members and should use the words "PROPOSED ITEM FOR BOARD APPROVAL" in the subject of the e-mail. That person should also specifically say in the e-mail what the item or recommendation is and include or attach any supporting documentation. Suggested wording is "I am requesting Board approval for . . ." The club President will include the request on the agenda for the next board meeting where a discussion will take place and a vote taken or more information will be requested.
12	BOARD EMAIL VOTES: The KCTC Board may conduct business by e-mail, in accordance with Appendix B.
13	DROP-INS: The class drop-in fee will be as stated on the class price list on the website. A liability waiver must be signed by all non-member drop-ins, upon arrival at each class. All drop-in fees collected are to be left at the club and are to be placed in the cash box. Anyone planning to drop-in on a class should first check to be sure the class is not at maximum capacity. If the class is not full, the instructor must be notified of the drop-in's intent. The instructor will keep the class size to the limit stated on the CLASS SCHEDULE page of the website.
14	PRIVATE LESSONS: Private lessons may be given on a voluntary basis by Instructors or Assistants at the club, not at the client's home or at the Instructor's or Assistant's home. The cost will be \$25 for a one hour session, payable to the club. Private lessons will be given when no other classes are in session at the club.
15	EMERGENCY PROCEDURES: Emergency phone numbers have been posted throughout the building. A first-aid kit is on the wall between the restrooms. An Incident Report should be filled out for any emergency or injury.
16	CLUB MAILING LIST: The Bylaws require Board approval of the use of the club mailing list. This is clarified as follows: Board approval is not required to use the club mailing list for normal club business (such as sending the newsletter) and sending club announcements (such as information about club events). The club's mailing list (including both the street address list and the e-mail list) is considered club property. Personal messages to the membership, using either list, shall be approved by the Board. Any messages to the club membership shall be distributed by the Corresponding Secretary or his/her designated back-up.

17	CLUB PURCHASES – Board of Directors approval is required for any purchases over \$50, and membership approval (by simple majority vote) is required for any purchases over \$1000 . A Director at Large shall be responsible for maintaining bathroom paper supplies and cleaning supplies, for keeping spray bottles full, and for keeping the water bowls clean.												
18	LAPSED MEMBERSHIP – A person or family whose membership has lapsed but wants to rejoin the club may do so by submitting a new membership application and paying the membership dues. They must also take classes at the non-member rate and be voted upon by the membership in accordance with the following: <table><tr><td><i>Time since membership has lapsed</i></td><td><i>Number of paying classes that must be taken at the non-member rate</i></td><td><i>Membership vote on the application</i></td></tr><tr><td>0 – 1 year</td><td>None</td><td>Not required</td></tr><tr><td>1 – 2 years</td><td>One</td><td>Required</td></tr><tr><td>Greater than 2 years</td><td>Two</td><td>Required</td></tr></table>	<i>Time since membership has lapsed</i>	<i>Number of paying classes that must be taken at the non-member rate</i>	<i>Membership vote on the application</i>	0 – 1 year	None	Not required	1 – 2 years	One	Required	Greater than 2 years	Two	Required

20	SIGN-IN SHEET – Deleted.												
21	CLASS ENROLLMENT PROCEDURE - Class enrollment will be accepted starting on the date and time posted on the website. All enrollments shall be on-line, using the links from the Class Schedule page. Instructions for enrollment will also be posted on the Class Schedule page. Classes that are full will be shown as “waitlisted” on the Class Schedule page. Problems with enrollment should be reported to the Enrollment Coordinator.”												

22	K-9ERS – The K-9ers reserve the right to approve any new participants in their group. This includes practices as well as events. Only dogs who are CGC certified may participate in K-9er or KCTC events and demos. In addition, dogs shall be TDI certified to do any visitation with individuals when that visitation is part of a K-9er or KCTC demo or visit.
23	BUILDING RENTAL – The building may be rented to members, non-members, and outside organizations. The fee is \$25 per hour for members, and \$35 per hour for others, or a different amount determined by the Board of Directors based on the nature of the event. See the Bylaws, Article XV, Section 4 for additional requirements.
24	REFERRALS – Any member who refers five new students to KCTC who enroll in classes will receive a Bonus Bone that can be redeemed for one free class.
25	FOSTER DOGS – People who house foster dogs will be charged the reduced rate of \$40 for a 6- or 7-week class. People who adopt foster dogs and keep them will be charged the regular rate.
26	ELIGIBILITY FOR AWARDS - To be eligible for a KCTC award, the dog and owner must meet all of the following criteria: a. The owner must be a KCTC member in good standing. b. The owner and dog must be listed on the current Membership List maintained by the Membership Chair. c. The dog must have earned a title in the previous calendar year (January 1 through December 31). <u>Co-Owned Dogs</u> – the above criteria apply. In addition: d. The co-owner receiving the award must be the first name listed on the dog's official ownership papers, or must be the co-owner who actually earned the title with the dog. <u>Exception:</u> this criterion does not apply to Conformation titles earned in the ring by a professional handler. e. If the first name on the dog's papers is not a member of KCTC, then no award is given regardless of who co-owns the dog. f. If there are more than two co-owners the same principles apply. Only one award will be given per dog per family at KCTC expense. Additional awards must be purchased.
27	REFUND POLICY – The KCTC class enrollment form states our

	no-refund policy. However, full or partial refunds may be given on a case-basis if approved by the Board. Guidance: the Board should not consider refunds if the student elects to miss a class or classes. But the Board should consider a refund if the instructor requests the student to withdraw from class, or due to extenuating circumstances beyond the control of the student such as an illness or injury to the student or dog. NOTE – refunds, if given, shall be in the form of a gift certificate for a future class.
28	KEYS – The President shall maintain a list of building keys. Keys are to be held by Board members, Instructors, Assistants, and cleaning personnel only. Keys shall not be lent out unless approved by the Training director or the President. Keys shall not be copied. If a key is damaged or lost, the President must authorize a new one. An Instructor or Assistant who does not teach in two consecutive session shall return his/her key to the President.
29	WAITLISTED CLASSES AND NO-SHOWS - If a class is Waitlisted, then the Enrollment Coordinator (EC) will type “WAITLISTED” at the top of the class roster so the Instructor is aware. The EC will also type the list of waitlisted students at the very bottom of the roster, in the chronological order that the students are waitlisted. If an enrolled student does not come to the first class (i.e. no-show), it is the responsibility of the Instructor to contact the EC (with a copy to the Training Director). The EC will then contact the no-show. If the no-show does not intend to come to the second (and future) classes, the EC will contact next person on the waitlist. If a student emails either the EC or info@keystonecanine.com that they will be absent from a class, or will drop out of a class, it is the responsibility of the EC to forward that message to the Instructor. It is the responsibility of the Instructor to inform the EC if any changes are made to the final printed roster.
30	LAPSED MEMBERSHIP BONUS BONES AND INSTRUCTOR PERKS – A person whose membership has lapsed may use accrued Bonus Bones and Instructor Perks within one year of the lapsed membership, but shall pay the difference between the value of the Bonus Bones or Perks and the non-member class cost.
31	INCIDENT REPORTS - An Incident Report shall be completed for any incident involving an emergency, aggression, injury to dog or handler, or fall that could result in an injury. Incident Report forms are in the rolling cart in the office, and in the roster books in each room. Copies of all Incident Reports shall be placed in the mailboxes of the Vice-President and Training Director, both of whom shall be notified of the incident within 24 hours via phone call, text message, or email. The Board of Directors shall review all Incident Reports and determine if any further actions are warranted.

32	COLLARS AND LEASHES – Prong collars, choke collars (slip or chain) and flexible leashes such as "Flexi-leads" cannot be used at KCTC. In addition, for Agility classes, only flat buckle collars may be used, and guidance may be provided by instructors regarding the use of collars and tags at various agility venues.

2. All members are required to sign a similar waiver, as part of the membership application or membership renewal process.
3. No aggressive dogs are allowed to participate in any Keystone sponsored or affiliated demonstrations or public events.
4. In class, if a dog shows aggressiveness toward people, the Instructor shall take the following actions:

7. If a dog has an incident of aggression with another dog, the handler shall advise the Instructor. The Instructor shall take the actions in Paragraph 4 above (for dog to people aggression), and shall fill out an Incident Report and notify the Vice-President and Training Director within 24 hours of the incident, in accordance with Item 31 of these Policies and Procedures. If a member wishes to lodge a formal complaint about another member's dog, the complaint will be handled in accordance with the disciplinary section of the Bylaws.

APPENDIX B: KCTC BOARD POLICY ON E-MAIL VOTING

Revision 4-11-16

GUIDANCE FOR E-MAIL VOTING

Any member of the KCTC Board of Directors may submit a request for approval by the Board via email vote on items of an urgent nature. The use of e-mail voting will be for emergencies, or when there is a time urgency. All other items should be held for the next Board meeting.

FORMAT FOR E-MAIL VOTING

The person making the recommendation should use the words "REQUEST FOR BOARD APPROVAL" in the Subject of the e-mail. That person should also specifically say in the e-mail what the item or recommendation is and include or attach any supporting documentation. Suggested wording is "I am requesting an e-mail vote for Board approval for . . ."

RESPONSES FOR E-MAIL VOTING

All Board members shall "Reply All" to the request for an approval vote within five days of the date of the e-mail request. The response should say "Yes" or "No" (not "Sounds good to me" or words to that effect). If a Board member considers that the request warrants a discussion at the next Board meeting rather than an immediate decision, the response should say "No, defer until the next Board meeting" and the reason why. The voting process shall be exactly the same as for regular Board meetings, in accordance with the club Bylaws: (1) a quorum for a valid vote is a majority of the Board members, and (2) votes are determined by a simple majority of those voting.

DOCUMENTATION FOR E-MAIL VOTING

Your reservation will be posted to the Building Usage page of the website, and a contact person

will confirm your time slot. Please note that any official club events (seminars, trials, run-thrus, etc.) supersede private building usage, even if they are scheduled after you reserve a time slot. If this happens, you will be notified. Building usage is for the private use of instructors and assistants, not for formal lessons or classes, and non-members are not allowed to participate. You may use either room without reserving it in advance, but not if someone else has officially reserved it (as denoted on the Building Usage page of the website).

Our policy on running your dogs in a class you teach:

- You may run your dogs before or after class (if there is no conflict with another class).

APPENDIX H: BONUS BONES PROGRAM

KCTC BONUS BONES FAQ

This message is to explain our Bonus Bones program, and to provide answers to Frequently Asked Questions (FAQ).

WHAT IS THE BONUS BONES PROGRAM?

The Bonus Bones program was established to reward members who volunteer for the club.

HOW DO I EARN BONUS BONES?

You earn one dollar towards a Bonus Bone for every hour you spend volunteering for a KCTC event (trial, community event, demonstration, etc.) or project. Just make sure your name and the number of hours you worked appear on the "Volunteer Timesheet" form that the person in charge of the event will have. That person will turn in the timesheet to the Bonus Bone Coordinator, by placing it in the Bonus Bones mailbox in the office. After you accumulate 30 hours of service, the Coordinator will reward you with a Bonus Bone.

HOW DO I GET MY BONUS BONE?

You can pick it up from the purple mailbox in the office labelled "Bonus Bones."

HOW CAN I USE MY BONUS BONES?

After you receive your Bonus Bone, you can redeem it for any regular KCTC \$30 class.

I AM THE CHAIRMAN OF AN UPCOMING EVENT. HOW DO I GET A VOLUNTEER TIMESHEET?

It is attached. It will also be added to the FORMS page on the website.

WHY SHOULD I VOLUNTEER FOR KCTC EVENTS?

There is great satisfaction in helping out at a successful event, and enhancing the reputation of our club. KCTC is an all volunteer organization. Without our volunteers the club wouldn't exist. Volunteering for at least one event per year is expected of all our members, and the rewards are great. You may meet people you wouldn't have met in a class....you may get to see someone you haven't seen for a while...you may learn more about the club...you may learn about a venue that you didn't know existed...you get to hang out with other 'doggie' people!
