PRESIDENT'S REPORT

The awards luncheon will be held on July 29 from 2-5 PM at the club. The RSVP was July 2nd. After speaking with the caterer, late joiners are welcome. Please advise as soon as possible, they would like a headcount by the end of the week.

MAINTENANCE

Discussed the AC in the front room, no noise and it seems to be working. The repair company's recommendation is to lower it to 73 degrees during the hottest part of the summer rather than 80 degrees. The first person in should turn it on at 73 degrees and not turn it off.

Thanks to Bob Powischill for repairing the easy-ups. Barb Powischill offered to help with future set-ups of the easy-ups.

OLD BUSINESS

Flooring for the front room is being investigated. The current brand was suggested and discussion around leaving down the existing mats due to the thickness. The mats in the back room move too much and aren't an option. Improper cleaning can damage them.

NEW BUSINESS

Need a volunteer to take over Facebook duties

Will start clean-up in the potty area with more mulch. Some weeding is needed

EVENTS

TDAA Trial was today, it went well. There were 10 dogs in one day, with two new people/dogs from outside of the Club.

CGC Testing is this week, Wednesday, and it is full.

Rodeo Dog Trial is July 22-23.
