Thank you to Joanne Stroup for her work and welcome to Denise Staude

MAINTENANCE

Damages – damages have been reported including the scent work cabinet. No one has stepped up and everyone is asked to be careful when using equipment. If you are unsure don't use it until you can get assistance and let someone know

Snow Removal – last year no money was spent on snow removal. Removal will be by 9:00 am. There is paw safe salt at the door if icy.

VOTE

A vote to approve new flooring. The new flooring is to remedy the loss of traction, after cleaning has failed to correct the situation. Don Greer Flooring has provided a quote of 23,653.28 and the treasurer has verified it is affordable. The general membership needs to vote due to the expense.

All emailed ballot responses have been a unanimous yes to move forward.

All ballots collected during the meeting approved the new floor.

A total of 58 of 178 members in total, all approved, exceeding the needed 20% vote.

NEW BUSINESS

The Board approved an update to the Policy and Procedure – item #3.

Update: "Only one dog may be enrolled per Instructor/Assistant Instructor for a class being taught by that Instructor/Assistant. This does not apply to dogs used for demonstration purposes."

Food preparation and sales at Trials was stopped during Covid. The Board is fine with resuming. Due to the amount of work, it is up to the individual trial committee.
