PRESIDENT'S REPORT

Registration Outage – Occurred at session II registration. The outage was caused by exceeding the concurrent access limit. Joe Shields responded quickly to remedy the situation but it required contacting the host of the server on Sunday evening. Now that we know what caused the problem, the server host increased the limit from 25 to 100.

Flooring installation – Getting an office space quote, as the board approved moving forward but with trials it may not be until the Fall.

Floor deep cleaning – Cleaning will occur after session II, and prior to the trials. May 3rd is the tentative date. Don Greer did provide recommendations on what to use and looking into occasional cleaning with steam-based rentals on our own.

Awards Luncheon – will be catered and held at the club. The tentative date is July 27

MAINTENANCE

Wobbly Fan – This is the fan in the hallway and it will be scheduled to be repaired by the trials.

Wall Flaking – The wall will be repaired during the July class break

Mulch – New mulch will be spread before the May trials

Window Washing – The front room windows will be washed before the May trials, only the outside can be cleaned.

NEW BUSINESS

AED – this is a consideration for the building. Some people would need to be trained and the cost is 1000 or 2000. First, we will check on liability.

Logo items – Item will be offered soon; the prices have gone up and there is a good selection.

Need a new Newsletter editor – Asked if anyone was interested or if anyone knew someone who might be interested. There are templates and a lot of the work is Wags & Brags and pictures. Diane Murray volunteered and will contact the existing person, Julie Weida, to get the details

UPCOMING TRIALS/EVENTS

CWAG League – the premium will be out soon

WCRL – the premium is out and there is still space if anyone else wants to sign up

PRESIDENT'S THANK YOUS

Joe Shields for the resolution of the IT issue with registration

Virginia Weida, Natalie Larocco and Lori Ritchey - logo items

Cindy Sumner - taking over the website maintenance and updating the web pages

AROUND THE ROOM

Mary Jo Daly – the date for submitting awards for last year has passed but she will extend it. So far, the number is similar to last year.

ADJOURNMENT 7:39 PM

Respectfully Submitted
